2087, New Dawn City. As undercover agents, you must infiltrate the minds of cybernetic Syndicate operatives bent on taking over the city. Manipulate their activities to collect the evidence we need to stop them... but beware the corrupting influence of the criminal mind! *In Too Deep* is an intense puzzle of shifting goals and questionable methods. One of you will betray us... you just don't know it yet.

- Stock Number: BIL4002
